

*Fresh ideas in foodservice equipment*

# Rotisserie

## Model: VGG-16

### *High Capacity Electric Rotisserie Oven with Touch screen Controller*

Ideal for supermarkets and superstores, the VGG's high volume capacity cooks up to 80 – 3lb/1.36kg chickens to perfection in 75 minutes to meet growing consumer demands and improve profitability.

Easy to assemble, superior servicing access and safety features including innovative cool-door technology save staff time and hassle. Plus, 15 custom programs can be stored to increase menu offerings from poultry to pork, beef, vegetables and pies and ensure uniform, consistent results every time.

#### **Standard Features:**

- Capacity: up to 80 – 3lb/1.36kg chickens
- High visibility with attractive design
- Lighted theatre for maximum customer attraction
- Curved glass picture window
- 15 program modes with pre-heat and hold capability
- Cool-door designed for safety
- Removable stainless steel parts for ease of cleaning
- External Material (18 gauge, 304 Stainless Steel)
