PTS/MO AND PTS/MO2 SERIES

Piper's Self-leveling Mobile Tray and Silver Dispensers are offered in two styles; single or double stack. Each stack holds 150 trays. These Self-leveling Tray and Silver Dispensers can be found in tray lines, front- or back-of-the-house, or any place your needs require.

STANDARD FEATURES

- Equipped with self-lubricating delrin wheels and stainless steel extension springs that can be easily disconnected to adjust the lifting rate
- Self-leveling mechanism lifts out for easy cleaning
- Field adjustable to accommodate different weights
- Removable stainless steel carrier tray provides bottom support for trays being dispensed
- Base is fabricated from stainless steel and reinforced with stainless steel angles
- Tubular frames are fabricated from stainless steel tubing and securely welded to stainless steel angles on underside of base
- Frames are reinforced by horizontal stainless steel rods welded to each vertical frame
- Top-mounted stainless steel silverware holder (Does not include plastic silverware cylinders.)
- Non-marking bumper attached at each corner
- Four 4" heavy-duty non-marking swivel casters that are securely mounted to the base

WARRANTY

One year parts and labor. Warranty is detailed on inside front cover of the price list.

LIMITED WARRANTY: PIPER PRODUCTS warrants to the original purchaser parts and labor for a period of twelve (12) months from the date of purchase. See manufacturer's complete warranty for details.

It is our policy to build equipment which is design certified by companies that have been accredited at the Federal Level by the Occupational Safety and Health Agency (OSHA) and ANSI as a National Recognized Testing Laboratory. These companies include CSA International, Underwriters Laboratories, and the National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

We reserve the right to change specifications and product design without notice. Such revisions do not entitle buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. Information is not for design purposes.
