## Precision Bread Slicer Agiloline

... B 100-1PM-SYS - Bread Slicer System  
variable slice warm breads, with fruits and nuts,  
soft loaves and hard crust breads...

### B 100-1PM-SYS

**B 100 Bread Slicer System includes 204-stand, installation and planned preventative maintenance in year one.**

- Maximum product size:  
Width 11.81" (300 mm), length 14.96" (380 mm),  
height approx. 5.91" (150 mm), rectangular 4.92" (125 mm)
- An ergonomic handle ensures easy operation of the protective hood
- Bagging unit for quick and simple packaging of fresh cut bread
- Optimized rotation speed. This means lower operation noises,  
smooth running, better slicing results, less generation of heat
- Its simple menu structure makes this slicer highly suitable  
for use in customer self-service areas
- Keys for high and low slicing speed
- Lockable crumb tray
- Easily slices hard crust, soft loaves and warm bread
- Best design and function
- Smooth running protective hood with sliding block guide
- 204-Stand with retractable casters, 27.6" H x 25.2" W
- Preventative Maintenance plan included in year one: Inspection,  
Blade Replacement Service and Cleaning during eighth month of  
operation
